

Vertumne Wine Collection

CHÂTEAU DE LA GENAISERIE

Comte de Bellefonds 2020

AOC Anjou-Villages

Vinification

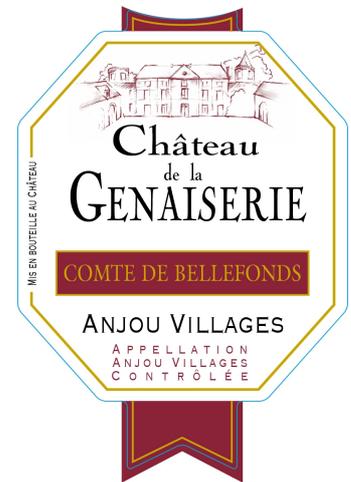

Selected from a 1-acre vineyard situated on a superb ridge of clay-sand on schist and sandstone. The Cabernet Franc and the Cabernet Sauvignon are harvested manually separately at optimum phenolic ripeness.

Vinification in vat with temperature control. Macerated for several days with micro-oxygenation to favor the expression of aromas and round tannins. Matured for 12 months in French oak barrels. Regular stirring of the lees. Light filtering before bottling.

Tasting Note

The color is almost black. Very ripe black fruit dominates the nose with a touch of licorice and a slight toastiness. In the mouth it is full with a very smooth, supple tannic structure. The finish is long and mellow revealing the silkiness of the tannins. This wine possesses an aging potential of 8 to 10 years, and will be a delicious accompaniment to grilled meats and wild game.

Appellation	:	AOC Anjou-Villages
Vintage	:	2020
Cru	:	Comte de Bellefonds
Grape Variety	:	80% Cabernet Franc – 20% Cabernet Sauvignon
Soil	:	Clay-sand on schist and sandstone
